SERVING IN MEXICO

On Sunday August 23rd, Héctor preached at Iglesia Cristiana Una Cita con Jesús. The church continues to meet weekly and reach its community. It was good to be there in person and encourage the leadership team. Since we are now farther away in Querétaro, we are unable to visit as often. We do continue to meet weekly with one of the couples over Zoom to disciple them.

Since returning to Querétaro almost two months ago, we've spent time reconnecting with ministry friends. We've had the La Viña pastor and his family over for a meal as well as having a cookout with friends who lead the El Ancla congregation. One of our dearest friends, Sol, leads La Viña's children's ministry. We helped her with preparation and serving at their VBS last week. Santi led an activity for the kids and Héctor taught the adults who had their children in the program. Some of our neighbors even accepted the invitation to attend the event with us. Héctor organized a soccer match between the guys from El Ancla and La Viña this past Sunday afternoon. It was a great time of camaraderie and fellowship.

We're a little over a month away from our US home assignment. We look forward to visiting many of you as we travel and share how you can be part of the new church plant in Querétaro. Here's a snapshot of our itinerary. If you're near any of these places, we'd love to give you a hug or a high five. If you're not but would like to see us, please send me an email and we'll try to make it happen.
