

Praise & Prayer Report

"The Earnest Prayer of a Righteous Person Has Great Power." — James 5:16

Dear Transformation Education Prayer Warriors,

Have you noticed that God sometimes answers prayer with wonderful surprises? Sometimes He parts the sea...and sometimes He sends **three computers!**

Everence recently blessed Transformation Education with **three pre-owned computers** that are already being used to strengthen our communication, administration, curriculum development, and teacher training.

God also opened another exciting opportunity through the **doTERRA Healing Hands \$10,000 Matching Grant**. Every gift will be matched to help equip more teachers, reach more children with literacy and the Gospel. Thank you for praying, giving, and sharing this opportunity with others! Our deadline is July 31st. To give click the link below:

James reminds us that **Elijah was a person just like us**, yet God answered his prayers in extraordinary ways. The same God is still at work today!

Please pray for:

- **Curriculum Development:** Wisdom for Marilee, Tabitha, Brandy, Gwen, and our future curriculum team as we develop Christ-centered literacy and Biblical worldview resources.
- **Our Ministry Team:** Grace as Finance Officer, Emmanuel as Program Manager, James as he returns to ministry, and a Christ-centered culture marked by unity and clear expectations.
- **Beneficiaries:** As the school year concludes on **July 10**, may teachers and children finish well and continue making disciples.
- **July & August Training:** God's blessing on our Distance Education College program for 80+ education participants, and the Child Evangelism Fellowship, smooth administrative systems, and health, safety, and endurance for our Sierra Leone staff members and their families as the staff will travel weekly to the college.
- **Kingdom Workers:** That God would provide volunteer **Board Members** with gifts in **Board Secretary** and **Partner Development/Fundraising**, along with dedicated ministry **Associates** who sense God's call to serve full-time alongside the Executive Director, helping expand the ministry's reach and impact.

Thank you for standing with us in prayer. Every teacher equipped, every child learning to read, and every life transformed is part of the harvest God is producing through your faithful partnership.

Together in Service of the Master of the Universe,

TE Team
